### Description:

TOFT SARANGEREL is a compact mature solid Dark Brown TOFT Timogen female out of TOFT SNOW DRIZZLE(SW). She has produced 7 wonderful cria for us here at Toft since she first started producing and she is only up for sale because we had 24 female cria in last years drop and its time to let some of our special ladies move on.

TOFT SARANGEREL represents a chance for you to buy a proven TOFT Timogen daughter at a very reasonable price as such you will be purchasing some very classy Australian genetics that go back at least six generations to many of the legendary names of the Australian Alpaca industry.

TOFT SARANGEREL is pregnant for 2026 to our Champion Dark Brown male BECK BROW Ready or Not. As such she represents a genetic package which is at the forefront of our 30 years of selective breeding here at TOFT Alpacas.

TOFT SARANGEREL - is pregnant for 2026 to our Champion Dark Brown Stud Male BECK BROW Ready or Not
