Description:

Marmaduke is a modern grey alpaca, like his sire Artwork M.S. Artful Dodger. He is a very sweet little boy with a gorgeous fleece. He has recently been weaned off his dam and will be ready to leave for his forever home at the end of February/beginning of March. We do not have any other male alpacas, so Marmaduke will need to join an existing herd with males of a similar age at that time.
