### Description:

Chapel Ground Largo

Young Suri Male – Intact Pet

Sold as a Package with Chapel Ground Quarrel

We are pleased to offer for sale Chapel Ground Largo, a well-grown young Suri male, bred and handled at Chapel Ground Alpacas, to be sold as a package with his best friend, Chapel Ground Quarrel. The two live happily together and will not be separated.

Largo has a calm, confident, and inquisitive temperament and is a pleasure to manage. He walks well on a lead and has been trained using Camelidynamics, under the guidance of a Camelidynamics Consultant, making him relaxed, responsive, and easy to handle for routine husbandry and general management.

He displays excellent Suri characteristics, with a developing fleece showing attractive lustre and a well-organised lock structure. He has a balanced frame with correct conformation and is growing on well for his age.

At the National Show, he achieved 3rd Place in a busy Light Suri class, a great achievement and a reflection of his overall quality, presentation, and calm nature in a show environment.

He has fabulous genetics, with Thistledown Oscuro as his sire. His dam is a daughter of Winsaula Joker, a three-time Suri Supreme Champion. While intact, he is being offered specifically as a pet, not as a breeding male.

Both males are:

- British Alpaca Society registered
- Up to date with vaccinations and worming
- Regularly handled, with feet and teeth checks carried out
- Settled and content living together

This pair would suit placement within an existing herd, with the option to purchase a third male to create a starter herd of three, if required.

-Viewings are very welcome by appointment.

-Located in North Somerset.

-Transport can be discussed.

**Prizes Won:**

National Halter Show 2025

Suri Junior Male - Light 3rd

North Somerset Show 2025
