Description:

Blizzard is a sweet yearling boy carrying a nice very useable fleece.

He is an happy inquisitive boy and is coming on really well with his halter training.

Blizzard would make a wonderful pet, fibre producer, companion or future trekker.

He is easy to handle and fully up to date with all husbandry.

Blizzard will need to go into an existing herd of males or I'm offering him as a package with two of his friends Snowy and Valentino.

Full support for new owners and can often deliver. Viewings very welcome.
