Description:

Zeus is a lovely natured kind hearted calm alpaca .

He was one of our best trekking and therapy alpacas .

He was retired and sold as a uncle figure to a couple of male alpacas we sold but due to a change of circumstances the owner is now not longer keeping alpacas and is selling the field so the boys including Zeus have come back to Hilly Ridge while we find them a new home .

Zeus is castrated and fits in well with alpacas of all ages . We are selling him at a low price only to cover expenses incurred while here and if not I?m more than happy to keep him here . He will only be released to a forever home
