Description:

Winsaula Obsydian is a confident male and Camelid dynamics halter trained. He is used to walking around our village and has attended a show earlier this year.

He would make a very beautiful pet with an exquisite fleece perfect for spinning.

Winsaula Alpacas have been breeding since 2015 and offer a lifetime of support.

Prizes Won:

Winsaula Alpacas won Best British Medium Breeder at the British Alpaca Society National Show in 2025
