Yield 2.20 Kg/Year

Description:

Betty is a female for of character. The first one to the feed trough in the morning and the first to see what going on. Betty is halter trained and is an excellent mother who feeds her cria well and maintains her own condition.

Betty was show in halter and fleece and attained a reserve championship

Her 2025 cria has been part of our show team and can be seen here at the farm.

We are selling some of our suri females as we have quite a lot of the same genetic and we are retaining some of the daughters from 2025.

Betty has a strong frame which we like to see in our suri with a good substance of bone and a strong straight topline. Her fleece is lustrous with above average density.

Her sire is mulit supreme and champion winning male Pinkney Dragon who has sired many champion alpacas.

Her dam genetic line is Popham Suri Canon , Popham Suri Dream Catcher .

Betty is a great mother who births easily, has excellent lactation with her cria having an excellent growth rate. Betty conceives easily and is very black and white to let you know when she is pregnant and all round easy breeding female. We are proud to be part of the British Alpaca Society trusted seller scheme and all of our alpacas will be open to TB testing and will have a full fecal testing history and husbandry background.

Or breeding herd is colour genetic tested and Betty is eeAa and has been mated to our Mulit champion Brown stud male Winsula Unforgotten .
