Description:

Pedigree: Every stud stable should include at least one son of Jolimont Commisario. Commander is ours. His dam, Cambridge Temptation, is one of the elite dams of EP Cambridge, from the famous Jolimont Conquistador.

Attributes: Commander displays excellent conformation and a very soft handling fleece which is uniform to the extremities of his body. .

Prizes Won:

Reserve Champion Intermediate Male at the Canterbury Royal Show 2006.

He performed well in his first NZ show season with two Reserve Champions (both behind Southern Alpacas males), and a convincing first in his white Composite class at Wanaka Show where he won both fleece and conformation sections.
