Cedar House Brave Heart - Australian Male
(White (Solid Colour) - Huacaya)

Neptune of Houghton
Light Fawn (Solid Colour) - Huacaya

Cedar House Miss Bonney - Australian Female
(Light Fawn (Solid Colour) - Huacaya)

Description:

Neptune is a magnificent light fawn male that has consistently produced outstanding progeny.
He was purchased in Australia, winning Junior Champion Male at one of the largest shows in NSW, the Sydney Royal Show 2006, it was commented, by a highly respected judge in Australia, that "Neptune was the densest Junior Male that they had ever felt". We selected Neptune for that reason, with his density, good conformation, colour, high frequency crimp & character running throughout the saddle, with a low micron.
Neptune has consistently bred high quality crias. He was awarded Supreme Champion at the 2008 Westmorland Show, not bad for his second show in the UK.
His progeny continue to perform well in the show ring and in 2009 gained "Supreme" at the Kenilworth Show and "Junior Champion male and female" at The National Show to name but a few.
His consistency in breeding has continued with many more of his offspring performing well in many shows.

Fleece stats available upon application.

Please note: No Houghton Hall Stud males are available for service in 2017 outside the BAS National Stud Auction.
