Description:

Flame came to us from Australia as an in-utero import. His dam, Yvette is a dark fawn female sired by Jolimont Warrior. She had an excellent showing career in Australia before joining us. Jolimont Warrior needs no introduction. Flame is sired by Benleigh Golden Flame, a son of the respected Purumbete Inti so the genetics are certainly there. Flame has a very fine, bright and uniform fleece. This uniformity is exceptional as it is carried throughout. A point noted by Kathy Lloyd when judging and awarding him Supreme at North Devon 2010. He has a high amplitude lower frequency crimp.
