Description:

A stunning full Peruvian fawn male, sired by Victor's HemiAccoyo Americano. His pedigree on the male side, includes Pperuvian Victor, Pperuvian Caligula, 4Peruvian Legacy and Peruvian Hemingway.

His dam is Mayflower Coronet, a fawn, full Peruvian female, sired by Snowmass Legacy's Golden Boy. She earned the Grand Champion Fawn Female award in 2006, at the Keystone Alpaca Classic along with other ribbons. Coronet is a stunning female, with exquisite, elite fleece.

Llywelyn is a stunning male, with superb density, fleece character and crimp. The pedigree and proven genetics are amazing in this herdsire. We cannot wait to see what he will produce.

Llywelyn started his breeding career this spring, 2011, at Hilltop Oasis Alpacas and we have bred him to some of our top foundation females.
