CME133

Date of Birth: 5th May 2004

Description:

Centurion is an upstanding medium fawn male who is a proven stud sire with over 100 progeny, many of whom have gone on to win ribbons in their own right, displaying Centurions brightness, density and structure in their .

We purchased Centurion in 2011 bringing new bloodlines into our herd as we were impressed by his and his offspring's show results. Centurions fleece is exceptionally bright and dense with good structure and high amplitude to the crimp, extending well down the legs. He is without doubt a true herd sire. He is now one of our newest stud males, so look no further for a fawn male to bring something special to your herd. His progeny continue to achieve great show success.

Please note: No Houghton Hall Stud males are available for service in 2017 outside the BAS National Stud Auction.
