(Genomen op 7/05/2019 op de leeftijd van 10 Jaar en 11 Maanden)

Wolanalyse-organisatie: Australian Alpaca Fibre Testing

Omschrijving:

Ransom has wonderful balance and substance of bone and fleece coverage. Ransom's fleece is uniform in lock style and lustre with a silky cool handle which is much sought after in a suri. His last fleece stats at 11 years old were still impressive for a Suri. We are lucky to have such a strong Dazzler son still carrying on his impressive Sire's genetics into a new generation.
