### Description:

Ciscero is a beautiful looking solid mid fawn stud boy. He has correct conformation and has a very nice, highly crimped and soft handling fleece. He has a superb pedigree that includes the famous NWA Ltd Ruffo, Jolimont Sculptor and Peruvian Drambuie amongst other quality names.

Ciscero's mother, Silverstream Escudo of Anzac, is also the mother of Snowhill Alexandra who was white Champion female at the 2009 SWAG Spring Show (69 white females in that show). His father, Eringa Park Lionheart ET of Cambridge, has produced a number of excellent cria. Ciscero has a very good show record in his own right. His junior fleece was shorn when wet (as was most of the herd that year).

Ciscero started working in 2012. All of his cria, to date, are stunning, solid coloured and well conformed alpacas and several have performed well in shows.

Ciscero's fleece statistics are:-

1st fleece - 19.40 microns

2nd fleece -21.50 microns

3rd fleece - 23.80 microns

4th fleece - 22.40 microns

Ciscero is no longer the finest fleeced Stud but, produces nice cria - including blacks from fawns and white from fawns - some of which still have fine fleeces into their Senior years.
