(taken on 2nd May 2018 at 7 Years and 10 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

this outstanding silver grey male is the offspring of an equally outstanding grey male, with strong grey genetics on both his sire's and dam's sides. He has an impressive show record where judges regularly comment on both his fineness, evenness of colour with an absence of colour spots and the density of his fleece, qualities which he retains. All these positive fibre characteristics are carried on a correct, compact frame and Redlands is a gentle, well mannered male who is easy to handle.. Redlands currently has 40 registered progeny many of whom have enjoyed success in the show ring.
