(taken on 11th June 2015 at 2 Years and 10 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

APPLEDENE APOLLO, son of Multi Award Winning Eringa Park The Commandante of ACC.
He is well proportioned with a true to type head, excellent substance of bone, strong chest and hindquarters.
His fleece has a very soft handle, is fine, dense and well organised throughout.
Stud fee discounts for East Anglian Alpaca Group Members !
Apollo's first Cria Moat Farm Ezra born June 2016 has inherited his excellent conformation and soft handling fleece. He was awarded first place Junior Brown Male at the 2017 National show and 3rd at the South of England Show 2017.
Judges commented on the uniformity of micron, colour and good density with exceptionally soft handle.
Appledene Apollo could add excellent conformation and Australian genetics to your herd.
3 Cria due in 2017
