### Descrizione:

Zaire is an outstanding macho with great presence and style. He has performed very well in the show ring, in 2015 he was awarded reserve champion black at the HOE Spring alpaca fiesta and most recently came 3rd in his class at the HOE Autumn fleece show.

His sire Limestone Rio is a champion brown male and has had great success in producing show winning coloured cria from white females.

Zaire has perfect conformation, a true macho in form and fleece. He has a calm personality and is easy to handle and gentle with his females.

We are more than happy with Zaire's first cria! He has given us some stunners, all his progeny are tall, elegant, leggy cria with beautiful head types and very promising fleeces. As hoped he has added colour even from white and light

females.
