Description:

For client stud work, we engage the services of The Welsh Alpaca Stud, one of our Alpacas in Wales network members and we are delighted to recommend their stud male, Usk Centurian.

Usk is a fabulous, properly conformed alpaca with a dense high quality fleece. His lineage traces back to Tulaco Centurian, so he will add some brilliant genetics to your herd. If you're looking for a quality white male for your girls, look no further.
