Description:

BAS Stud Auction service to be taken at Beck Brow Alpacas

When looking for a new white Huacaya male to join the Beck Brow stud, Bozedown Blaze of Glory ticked all of the boxes and more. He had caught our eye on a number of occasions, and we were fortunate enough to secure a half-share in Blaze in the spring of 2018.

We were looking for a male who could reinforce the qualities that Beck Brow Explorer has brought to our championship-winning herd. It was asking a lot to find one male who has fineness, density, uniformity of micron, good fleece length, and all this on a strong and perfectly balanced frame.

These attributes have already gained Blaze of Glory many accolades, including two Supreme Championships and BAS National White Champion Male 2018.

2019 - two shows entered and two Supreme Championships!

Of course, he has the genetics behind him to back up his phenotype. His sire, Bozedown Ascendant (sire: Jolimont Rodrigo of Bozedown) was awarded National Light Sire's Progeny Champion for 2017 and 2018 and has retained incredible fineness and uniformity of micron at 8 years of age. On his dam's side, we have Tudor of Bozedown, another male who gives his progeny very good uniformity of micron and consequently a superb handle.

In addition to all of the above, Blaze has an incredibly easy temperament. This is not to be underestimated in value when selecting a stud who is likely to produce many progeny.

Blaze of Glory is the sire of Beck Brow Glory Daze - BAS National Supreme Champion 2022 in both Fleece and Halter.

Blaze of Glory is co-owned with Bozedown Alpacas.
