Description:

AGA has proven his ability as a sire with progeny that do well in the show ring starting with his first son Redens Dynamic being judged BAS National Black Huacaya Male Champion 2022. AGA, the son of Surtierra Shadow and Redens Vogue is an exceptional black male with a fine and dense fleece on a beautifully correct frame with a deep chest and great strength of bone. His first fleece was finer than his fathers first fleece and he has kept that fineness with a minimum increase in micron with his second fleece.The fineness and density of his fleece extends up the neck and throughout the blanket. Since Dynamic, Aga has fathered several alpacas that have done well in the show ring often improving on the mothers traits. AGA himself has had significant success in the show ring being awarded champion or reserve champion black huacaya in almost every halter or fleece show that he has entered. In the East of England halter show in October 2018 he was selected as the Judges Choice in the Supreme lineup having been awarded the Black Male Huacaya Championship.
