Beschreibung:

Wordsworth has surprised us all time and again. This cute brown cria who we never really paid attention to suddenly blossomed as an intermediate and kept developing until we were struggling to tell him from his own Sire Snowmass Golden Age. Wordsworth was awarded Champion Brown male at the 2016 British National Show beating many well-known males to the top spot. Like his Sire before him, Wordsworth has a fleece which is dense, fine, soft handling, uniform in micron, and with good staple length. With the late Dovecote Jaquinto also in his pedigree this male has the most powerful genetics behind him.
