Description:

Thistledown Maniatoto has the most exquisite handling fleece with high lustre, fine uniform micron and good density. Maniatoto was shown in New Zealand as a junior and intermediate to high acclaim. His second fleece showed excellent follicular alignment and lovely lustre. He feels superb!
He has extremely good genetics on both his dam and sire lines. Both parents are BLACK.

His dam Thistledown Manaia is one of Thistledown's top performing dams, producing a number of stud males.
His sire Thistledown Oscuro of Faraway is a multi-winning Champion who has retained his fineness as a working male.

Maniatoto's first breeding year's progeny won 29 Championships between them and he also won Suri Sire's Progeny at the 2022 BAS National Show.
