Description:

Scimitar as with all his dam's progeny is well grown, with good confirmation. He is a strong, dominant representation of the breed. His fleece is long, exceptionally bright and fine. The brightness is evident in his cria.

Scimitars full sister, Fowberry Paloma was Best in Show of the British Alpaca Futurity 2012 (368) alpacas. Her fleece was an exceptional example of the breed.

His sire, Top Account is a Multi Championship winner himself and his progeny.

Dam: EPC Zara's progeny have won 16 championships. At 13 years of age she produced a female from Nobility that took 1st junior white female at the BAS National show 2015, 2nd intermediate white female (behind eventual Supreme Champion) BAS National 2016.

Scimitar offers an exceptional genetic base, his cria to date (July 2020) have all grown well and are a super depiction of

the breed.
