Description:

Inca Lewesdon has been a quietly kept secret here at Inca and now is the time to bring him forward as he takes a major role in our breeding programme. Bred from 2019 BAS National Show Champion, Beck brow Jimmy Choos and from Inca Hoity Toity who herself is a champion and from a highly decorated line that has produced alpacas such as Inca Gratitude, Inca Jealousy and Inca Hallmark.

This male has been selected to be used as a sire as he brings another dimension to the Jimmy Choos line. He is very robust and has great substance of bone and strength. His fleece is extremely dense, long stapled, which his dam's line is famous for, and the fibres are uniform in colour and micron. With the additional black genetics originating from his dam, Inca Lewesdon gives us a valuable option where colour needs to be brought to the fore whilst still adding high quality and productivity.

Thissire has also been selected due to his fast growth, early weaning, early maturation and aversion to worms, coccidia

and mites.

Inca Lewesdon is NOT availble for outside stud services in 2021
