Description:

Beck Brow Glory Daze represents many years of selective breeding for exceptional fleece and conformational traits. He is both genetically and phenotypically outstanding.

His sire Bozedown Blaze of Glory needs no introduction having taken National White Male Champion in 2018, along with many other accolades, including multi- supreme championships. A truly outstanding male.

His dam is from one of Beck Brows strongest female lines. Herself a multi-champion she is also full sibling to Beck Brow First Edition who stands at stud at Beck Brow. Both sired by the renowned Beck Brow Explorer.

Glory Daze stands on an outstanding frame, looking very much the Macho in his group, much like his sire. Also inherited from his sire, is his calm temperament making him a joy to handle.

This male also exhibits exquisite fleece qualities. Beautifully soft handling, extremely dense, fine and very well organised. Add to that great fleece length, coverage and excellent uniformity of micron and you can understand why we rate this male very highly.
