Description:

With a truly world class pedigree, we are delighted to have been able to add Marcelo to the Nero Black Alpaca stud. His dam Inca Incognito has had legendary show success culminating in two Supreme Huacaya Championships. Marcelo is sired by Surtierra Shadow who is established as one of the world’s elite black herdsires at Inca Alpaca.

Marcelo is a completely balanced black alpaca, exhibiting impressive quality in all the traits required for a progressive and impactful breeding programme. With a superfine fleece which cut a weight of 3.1Kg in 2020 (2nd fleece) he has very good density as you would expect in a male of this calibre.

Coronavirus restrictions curtailed a promising show record in 2019 but Marcelo took Champion Black Male at NEBAG in 2021.
