Description:

Just as we were bringing Mountbatten into the stud team for 2018 he only went and won Supreme Champion Huacaya at the Northumberland Show! Judge Nick Harrington Smith consistently praised his conformation and dense, commercial fleece. Now a multi Championship winning light fawn male, with super fine fleece, he is sure to catch anyone's eye.

Son of Nero Black Galaxy and Waradene St Patrick he oozes quality and style, whilst offering excellent bloodlines and depth of colour too.

Mountbatten's fleece is well organised, dense and fine with an exceptional handle and very good staple length.

Having worked a couple of years now, Mountbatten has a number of quality cria on the ground. He has proved that, given a coloured female he will produce colour. He also passes on all the qualities he possesses as a Supreme Champion Fawn Huacaya.
