Description:

Monty captured my attention as junior at the Three counties show, I was so impressed with his fleece qualities I added him to our breeding programme.
His sire Gilt Edge Tor De Force of Ashwood together with the dams genetic line which includes Telstar , Tidemark and Imposing of Furze Park, this young man could not fail to impress.

His fleece is both fine and very dense with highly aligned fibers which form into striking, tiny staple groups. The brightness and handle to this fleece is exquisite. His fleece stats in the last two years have stayed constant with a low SD despite him now being a working male.

Like many other males Monty was not shown in halter shows due to Covid restrictions however his fleece has been given 'Judges choice' as the judge felt that this fleece was just too good to be overlooked. We are looking forward to his first cria in 2022.
