## Description:

The hustler is also known as 'Big dog' to us here at Hilly Ridge. He is not the biggest boy in statue but he makes up for it with his character. He is bold and has a look at me attitude but with the best temperament. He is also trained as one of our trekking males as his temperament is so good even as a working male. His Sire is Kurrawa Hell Raiser of BBW and he has inherited his lustre and uniformity of micron. His fineness he inherits from his dam who can be seen here at the farm and who has also done well in the showing.

The Hustler has just started work and has been very keen and therefore we will allow three outside females to him this year and he has already covered females here who are spitting off. The females we will be offering at a reduced stud price for 2021 only.
