### Description:

Mr Pistache is a light brown suri male with great genetics. He is a strong, well conformed male, well balanced and with a straight top line. His fleece displays uniformity in both colour and micron with good levels of fineness and density, along with an impressive lustre. He enjoys working and has a calm temperament. At the York alpaca show in 2017 he won champion brown male, Best of British champion and Supreme champion, and was described as an exceptional alpaca by the judge. In 2022 he was awarded 2nd place for 3 Progeny by One Sire at the South of England show.
