Wellow Endevour Morse Medium Grey - Suri

> Wellow Sapphire (Black - Suri)

Description:

Wellow Endeavour Morse is a Tuxedo Grey male born in 2020 and was selected by us to go in to our North West Suri herd. He is fine, dense, and lustrous with great structure. A really well grown boy who is looking to work in 2022. Judge Tim Hey said at the Northern Halter Show that he had not realised how grey Suris had improved in the UK in the last two years with this boy having no spots in his coat at all.
