(Entnommen an 6/05/2021 im alter von 1 Jahr und 11 Monate)

Faser-Untersuchungsorganisation: Art of Fibre

Beschreibung:

Glorious white male exhibiting a very fine fleece with excellent staple length and structure. His sire is the beribboned Snowmass Bronze Royalty with all the big names from Snowmass behind him. Very impressed with the style and substance of bone of these alpacas and it will be very interesting to see what colours he produces given his sire and grandsire. We are sure these genetics will improve our breeding herd.
