(taken on 3rd May 2020 at 1 Year and 1 Month of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

Valiant is a beautiful boy with correct conformation and a stunning fleece. He came first in the Adult fawn class at the Welsh Alpaca Show 2022. He has excellent, density, fineness and staple length. With Valley Alpacas the General on one side and Lilyfield Jack of Spades on the other, he has great genetics. His coat which is a lovely colour also has fantastic lustre and handle. Valiant is a very gentle soul and we are very excited to see what he produces in his first year. He took to mating like a pro and was successful first time, with spit offs from a number of reliable females.
His ultrafine fleece at 2 yrs 8 months has maintained its fineness and uniformity, Mic 17.1 SD 3.2 CV 19 CF 100%
