Description:

Inca Grey Omaha is the latest grey sire to be promoted to stud servicing here at Inca Alpaca. He has been a long time in the making and we have invested a lot of time and money breeding this male. His sire is our 2019 BAS National Champion male Beck Brow Jimmy Choos and he has combined beautifully with our champion grey, Inca Grey Kahlua, to produce a good looking and well rounded grey male.

Inca Grey Omaha is conformationally sound and all aspects of his frame are coreect and his overall fleece coverage, head type and presence is very desirable. His fleece is dense, long stapled, realsonably fine and uniform in micron. He has very even fineness between the black and white fibres in each staple which contributes to a very soft handle and the fibres are also bright.

Inca Grey Omaha has also been selected due to his fast growth, early weaning, early maturation and aversion to worms, coccidia and mites.
