(taken on May 15 2022 at 3 Years and 10 Months of age)

Fibre Testing Authority: Art of Fibre

Description:

Inca Memphis is a very stylish young herd sire that brings some very desirable traits into our breeding programme. The conformation this male exhibits is highly desirable and each aspect is correct and his movement is sublime.

The fleece this sire displays is very dense, bright, soft handling and long stapled. As the follicular density is high, the fibres are well aligned and there is a deep amplitude to the staple.

With such a depth of known and proven bloodlines in his pedigree, Inca Memphis will bring additional density, colour and style to our breeding programme.

Inca Memphis has also been selected for his fast growth, early weaning, early maturation and aversion to worms, coccidia and mites.

Prizes Won:

British Alpaca Society National SHow 2019

Judges: Molly Gardener and Liz Barlow

1st Place Junior Black Male Huacaya
Reserve Champion Black Huacaya Male

Devon County Show 2019
