(taken on 26th July 2021 at 2 Years of age)

Fibre Testing Authority: Art of Fibre

Description:

Lane House Ambassador is a stunning light fawn male. Since day one he's had an exceptional fleece which is very similar in style to the merino.

His fleece is exceptionally dense, fine and uniform throughout with a fantastic staple length and high frequency crimp style. He is very well grown and we are expecting his first crop of cria in 2023.

Due to covid he wasn't shown during his prime, where I'm sure he would have been very successful.

With his black skin we expect him to advance our darker colours even more.

He is from our multiple supreme champion - Valley Alpacas The General and Lane House Bedazzle who is one of our best producing females. We expect him to pass on these exceptional qualities onto his offspring.
