Description:

Redens Dynamic is an impressive true black strong male with an excellent conformation and attractive head, his fleece feels beautifully soft, really dense, and has an eye catching brightness. Dynamic was chosen as the Champion Black Huacaya Male at the 2022 BAS National Show. He was also chosen as champion black male at the three other shows he has attended. He is the son of Redens Agamemnon and Redens Wialki inheriting the attractive characteristics of his fathers fleece and his mothers true black fibre and cutting weight. Dynamic's pedigree is full of highly influential black sires and carries the genetics of Patagonia Celtic Triumph son of the famous Accoyo Tulaco from his father's line. Dynamic has been colour tested using the Futuregen alpaca fleece colour genetics showing he carries the genes to produce true black progeny.
