Service Fee (Drive By): £600.00 (excl VAT)

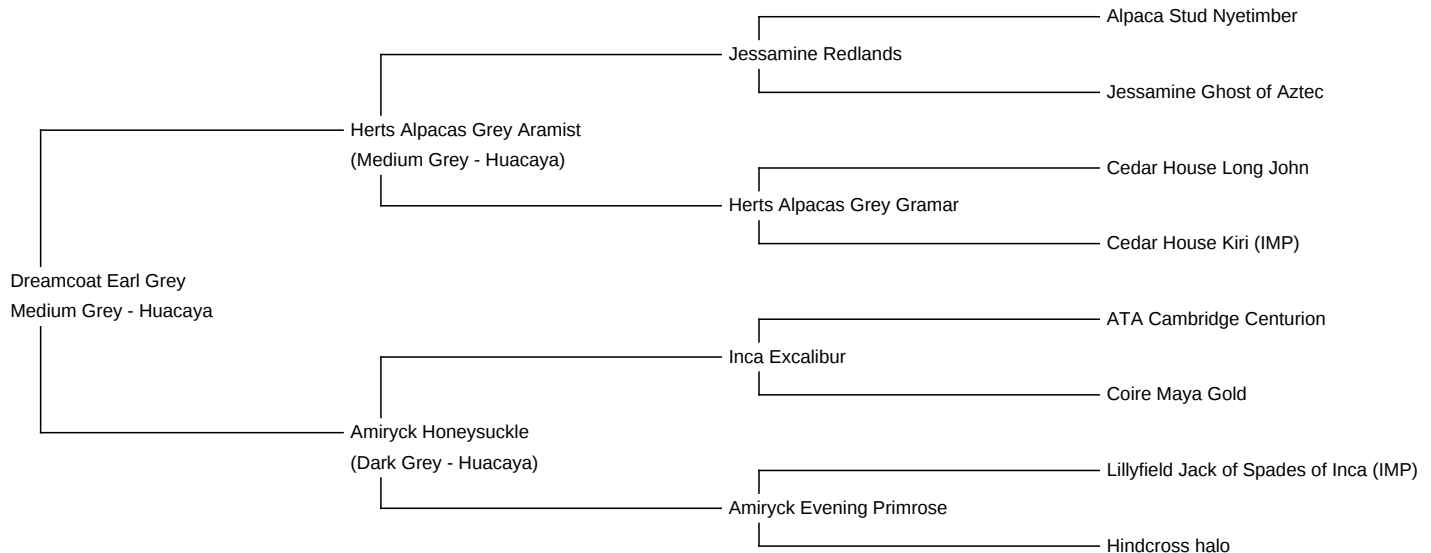

Sire: Herts Alpacas Grey Aramist

Dam: Amiryck Honeysuckle

Breed Type: Huacaya

Colour: Medium Grey

Date of Birth: 6th August 2020

Description:

We are introducing Earl Grey to our team of working stud males for 2023. We selected this male for his great degree of fineness, alongside his density, and also his depth of grey in his pedigree.

Earl Grey stands on a solid frame, stands proudly in the paddock and has solid bone. His fleece equally matches in quality his confirmation, boasting good fineness and density, with a soft handle and good staple length. For a grey, he is very uniform in colour.

Earl grey has some incredible names in his pedigree, these include Cedar House Long John, Jessamine Redlands, Alpaca Stud Nyetimber, ATA Cambridge Centurion, and Lillyfield Jack of Spades.

Earl Grey has pregnancies confirmed for 2024 so is now working.
