Description:

Amberly Prohibition has been with Velvet Hall Alpacas for the last 3 years, and we are pleased to announce that he is now a permanent fixture at Velvet Hall. Pro as he's known, is the best Fawn/Brown male we have on farm. He displays excellent uniformity of micron in a fine and dense fleece. The brightness is bordering on lustre with the fleece style carrying to the extremities. He has his first progeny on the ground in 2022.
