**Fibre Testing Authority:** Australian Alpaca Fibre Testing

### Description:

A white huacaya male from elite Fowberry genetics. His sire is EP Golden Age, a son of Windsong Valley Fire Dragon who I admired as soon as he entered the UK, he is producing progeny from dams of all colours, black progeny from black dams. Corinthian's dam is Fowberry Regal Lily, a stella white female who is full sister to the multi Champion Fowberry Nobility, Lily has her own Champion sashes to her name, notably Champion White Female at Futurity and NWAG 2013 - it does not get much better. Corinthian has the top genetics from both parents.

Corinthian has inherited the qualities of both his parents, a ultra fine, advanced style fleece, low in primaries, dense with outstanding coverage and the softest handle on a compact frame. This combination earned him a very close 2nd place in a large split class of 13 at BAS National Show 2017, Judges pulled both boys forward to be examined closely together, Corinthian was just pipped, behind Beck Brow Hey Now who went forward to win Reserve Champion White Male. Placed 1st at the Cornwall Halter Show 2018 as in intermediate, on fineness, density but ultimately it was the finer primaries which earned him the 1st place. Supreme Huacaya Fleece Champion and Judge's Choice at the Cornwall Fleece Show 2023 scoring 83.5 points

For phenotype and genotype Corinthian ticks every box and will add valuable qualities to any coloured breeding programme.

Corinthian's progeny have started to arrive and are surpassing expectations, he is passing on all his traits on strong well boned cria.

CORINTHIAN IS NOT AVAILABLE FOR OUTSIDE MATINGS.

### Prizes Won:

Cornwall Fleece Show 2023 -

Huacaya White 60\_ months 1st
