Description:

CME Dion is a strong upstanding boy with spot on conformation.

His fleece is dense and fine with good organisation and low standard deviation.

We have our first batch of yearlings on farm by him and we are delighted with them.

They have really well organised fleeces with tremendous brightness.

This boy has some of the best genetics in his pedigree having been blended by Chas and Rachel at CME.

He has a supreme championship to his name from the Devon County Show.
