Description:

King Garth Solway Sandbar started his career as a stud in 2021.

Sired by the famous Timbertop Goldmine.

He has sired some really lovely cria already. Photos below.

In the show ring his beautifully fine, dense and silky fleece combined with his well proportioned conformation and balanced motion caught the eye of the judges.

He followed his Junior Champion Light Male at the Scottish Alpaca Show with 2 more Championships as Intermediate at The Westmorland County Show and The Yorkshire Alpaca group Show.

With genetics from his sire, the famous Timbertop Goldmine and his beautiful dam King Garth Toyah, his future progeny are an exciting prospect.
