(taken on 26th June 2024 at 4 Years and 1 Month of age)

Fibre Testing Authority: Art of Fibre

Description:

Secret Service is the full brother to Bozedown Blaze of Glory and we excitedly await his first progeny in the 2024 season to see if he excels just like his brother! Secret Service won Champion Light Male at the 2023 BAS National Show and Alpaca Fiesta against some steep competition. His 4th fleece is still super fine and incredibly uniform.

2023 Fibre Stats tested at 16.6 m, SD 3.2, CV 19.5, CF 100%, CEM 6.4 Staple Length 95mm

His secondary and primary fibres are very uniform, it is very hard to see any variation within the staple. The brightness and handle is magnificent.

Secret Service in his own right is a fabulous male but when you have a look at his pedigree it doesn't get much better.

His sire Bozedown Ascendant has proven himself with all the fantastic offspring he has produced but he himself is still one of my favourites. Besides his charming personality and is flawless frame, at 13 years of age is still producing a

fantastic fleece that is luxuriously fine and a processable length.

Ascendant's 12th fleece received 1st place in the Senior light class at the 2023 Heart of England fleece show with a score of 77 points. His 12th fleece tested at 19.4m, 3.7 SD, CF 98.8%, CEM 7.1 and Staple length of 80 mm.

Continuing down his paternal line you will also find Bozedown Galaxy and Jolimont Rodrigo who both have had a massive impact on the Bozedown herd.

His Maternal line has Bozedown Avaline as his dam who has proven herself time and time again. We have 3 of her 4 males produced standing at stud on our Farm, Blaze of Glory, Generation Now and Secret Service, not to mention the quality females she has produced. Avaline carries the residual fineness from her sire Bozedown Tudor. Avaline is pregnant with her 9th cria!
