Description:

This boy is brother to our Supreme Champion of 2024 Wellow Hip Hip Hooray, same sire CS Alpacas Antonio and different dam Wellow Twilight. Twilight out Puccara Sur-real Rapper of Spring Farm. He was a smaller cria out of one of our older dams and did not do as well as his sister in the show ring however to say he has come on is an understatement. He stands in the field with real presence now, his second fleece has maintained its fitness but he is now denser than his sister and he has maintained his lustre and structure and is quite simply stunning. He is not available for outside breedings with the exception of our partner business and I have him down for around 50% of my females next year
