Description:

Springfarm King Arthur was sired by Houghton Tailor Made - our jointly owned stud male. Tailor Made was Supreme Champion Suri at the BAS Nationals 2018 having won the light class and King Arthur has followed in his footsteps. His Dam, Spring Farm Marie Antoinette is herself a Supreme Champion Brown suri - so his genetics are second to none!

We realised King Arthur was special from an early age. He has been shown in both halter classes and also his fleece in separate fleece shows. He holds multiple Championships for each of the 3 years he has been shown in. He has not been beaten in the brown suri classes for 3 years where shown (including the Nationals) and his only reserve Championships is where he was placed in the fawn classes at the 2022 Nationals. We had also entered his fleece...so he was Reserve Champion Fawn and Champion Brown Fleece at the same BAS National Show!

King Arthur has a wonderful temperament and until recently was part of our walking boy team. He worked for the first time as a two year old and we cant wait to see his first crias.
