(taken on 1st July 2025 at 2 Years and 1 Month of age)

Description:

Acton Hill Jailbreaker is one of the most exciting new stud males to become available to a limited number of females for 2026

This male is an absolutely breathtaking male and has already turned many a breeders eye in the show ring and in the paddock at both Acton Hill Alpacas and Hilly Ridge Alpacas.

We were very fortunate to be able to purchase him in 2024 from Acton Hill Alpacas.

Jailbreaker (known as JB) has continued to impress us with his rate of growth and the quality of his fibre. This male also has a superb temperament and is an absolute pleasure to own.

Jailbreaker is conformationally correct with excellent substance of bone with a very strong robust balanced frame.

Jailbreaker has also been selected for his fast growth, early weaning, early maturation covering females in 2025 who are scanned pregnant for 2026 and we look forward to seeing his first progeny .

His depth of quality champion genetics are what we are looking for in a working stud male, together with genetics that are proving to produce champions over and over again, are tried and tested and which can continue to build upon and also meet our expectations for herd improvement.

His sire Fowberry Constantine and grandsire Fowberry Nobility are two of the best fawn males in the UK with a proven record of championships in the show ring and from their progeny who continue to prove themselves and their sires legacy. Add to that the fantastic and proven genetics of Spartacus on his dam side.

His Dam Houghton Bettina stands on a robust frame with a stunning head type. Her sire is Multi Supreme champion Cambridge Navigator of ACC a proven genetic line and is tried and tested for quality, add to that another touch of Spartacus which we know when used and line bred gives magnificent results.

Jailbreaker fleece is so very fine, bright and soft handling. It opens into highly aligned staple groups which are well defined and open cleanly. The length is exceptional, and the fleece is breathtaking and has proved itself both on an off him.

We have shown Jailbreaker in both long and short fleece halter shows and in fleece shows and he has been awarded eight championships and two Supreme Championships proving himself time and time again.

Jailbreaker will be kept in house for 2026 and only available to a very select limited number of quality females for 2026.
