Description:

Bozedown Badlands has excellent conformation with great substance to his frame. He is a true black suri male with a lustrous, fine and dense fleece. He has 5 progeny on the ground and he has stamped his traits onto his progeny making an improvement on all the females he has covered. Some little crackers have been born this year which I am excited to see how they develop and hope to get a few of them into the show ring.

Badlands himself has not had the opportunity to enter a halter show ring, however, his fleeces have been entered and on each occasion he has won Black ~ Champion fleece. He has won he Champion Black Suri fleece at the Nationals in both 2020 and and 2021 with his junior and intermediate fleeces.
