**Breed Type:** Huacaya

**Colour:** Light Brown

**Date of Birth:** 23rd June 2023

### Description:

Cedric was bred here on our farm and is the first male we have decided to keep on.

He is well grown and strong in frame. He has a very good head shape and plenty of density in his fleece. Cedric's dam is from the all famous Lilyfield Jack of Spades of Inca.

His sire is multi coloured Natterjack Disney well known for his unique large patterning across his body, which he has passed onto cria.

Although, Cedric is a solid colour he does have a small black spot on his face which makes us excited to see what the future might bring for him.
