Description:

We were incredibly proud and excited to secure the purchase of Redens Dynamic and sincerely grateful to Redens Alpacas for the opportunity. Dynamic is a male we have admired and followed from the very first moment we met him, making this acquisition especially meaningful to us.

Redens Dynamic is an outstanding true black, strong and very attractive male with excellent conformation and his beautiful head type he certainly shows his presence in the paddocks.

His fleece is soft, dense, and displays an eye-catching brightness that truly sets him apart. Dynamic was awarded Champion Black Huacaya Male at the 2022 BAS National Show and has gone on to be named Champion Black Male at three other shows he has attended.

He is the son of Redens Agamemnon and Redens Wialki, inheriting the outstanding fleece characteristics of his sire alongside his dam's true black fibre and exceptional cutting weight. Dynamic's pedigree is packed with highly influential black sires. Dynamic has been colour tested as EEaa
