Sire: NZ Summerhill Grey Zhar (NZ)

Dam: Karismac Black Gold (NZ)

Breed Type: Huacaya

Colour: Medium Grey

Date of Birth: 16th January 2024

Description:

Zane is an upstanding grey male with great presence and substance of bone. He will be kept in house for the 2026 season in which he will begin his stud career with us, only available in the BAS National Show Stud Auction!

Zane was imported in late 2024 from New Zealand. Selected for his long staple length, uniformity in micron across the body and his depth in pedigree. His dam is one of the most highly performing females in the Summerhill herd.

We are very excited to be using Zane as a breeding male for the first time this year in our grey program.
